25X1

1. The highway from Prague to Ceske Budejovice 4859N-1428E was being moved to the western side of the Prague-Ceske Budejovice railroad line between Sezimovo Usti and Plana nad Luznici 4921N-1442E. The old road crossed the railroad line three times in this section, whereas the new one crosses it only once. Work on this project was begun in 1944 and about one half of the new road had been finished by the time the war ended. Afterwards the project was abandoned. 25X1
[REDACTED] by order of the military authorities the road construction would be resumed and was scheduled for completion by the end of 1952.
2. Another rerouting of the highway in the same area is planned as part of a large project for the reconstruction of the highway system in the Tabor area.
